OUR VISION

TO DEVELOP GLOBAL BUSINESS LEADERS FOR THE ASIAN CENTURY

ABOUT CUHK BUSINESS SCHOOL

Established in 1963, The Chinese University of Hong Kong (CUHK) Business School was the first business school in Asia to offer a full suite of BBA, MBA, and Executive MBA programmes. Today, we continue to nurture nimble leaders, entrepreneurs and social stewards through our two schools and four departments: the School of Accountancy, School of Hotel and Tourism Management, Department of Decision Sciences and Managerial Economics, Department of Finance, Department of Management, and Department of Marketing. CUHK Business School is accredited by The Association to Advance Collegiate Schools of Business (AACSB), and by The Association of MBAs (AMBA) for its MBA programmes.

OUR PROGRAMMES

Integrated BBA Programme (IBBA)

IBBA offers a flexible curriculum to make your personal aspirations come true. Learn essential business fundamentals from our world-class faculty and gain specialist expertise via up to two concentrations (out of nine options) to set you on course to your profession of choice.

DUAL DEGREE PROGRAMME UNDER IBBA

Global Business Studies (GBS)

GBS offers a unique immersion opportunity for students to develop a truly global mindset. Offered in collaboration with the Copenhagen Business School and The University of North Carolina at Chapel Hill, GBS offers an innovative curriculum taught across three top international business schools in Asia, Europe and America.

International Business and Chinese Enterprise (IBCE)*

IBCE trains experts who explore the important Sino-U.S. business relationship and make influential decisions related to two of the world's largest economies. Offered in collaboration with the Darla Moore School of Business at the University of South Carolina, IBCE delivers a cross-cultural learning experience by offering a one-year exchange programme where students can have a genuine cultural immersion.

*IBCE accepts transfer-in applications only

BBA-JD Double Degree Programme

The programme combines the strengths of CUHK Business School and Faculty of Law to blend business and legal studies into a rigorous but balanced curriculum. Students graduate with an undergraduate (BBA) degree and a postgraduate (JD) degree in five years, equipped for a variety of career options including community service, business, law enforcement, government service, education, media and beyond.

Professional Accountancy Programme (PACC)

PACC aims beyond grooming accountants to nurture creative, agile and global-minded business leaders through a whole-person development approach. All students are eligible to sit for professional qualifying exams. The comprehensive curriculum allows students to study extensively on accounting and business subjects and specialise in various streams including the Global Accounting stream, Global Tax and Governance stream, Finance for Accountants stream and Accounting Analytics stream.

Hospitality and Real Estate Programme (HRE)

The Hospitality and Real Estate (HRE) programme is positioned as a business programme with an industry focus. While the Real Estate stream focuses on planning, developing, and investing in the assets (e.g. buildings and properties), the Hospitality stream focuses on the service element — how to improve service quality, ensure customer satisfaction, and enhance organisational performance. Offering a rich curriculum marrying theory with experiential learning opportunities, HRE puts students right in the heart of the fast-paced hospitality, tourism and real estate industries.

Insurance, Financial and Actuarial Analysis Programme (IFAA)

IFAA provides comprehensive training in all aspects of actuarial science and insurance company management, including insurance operations, financial markets, portfolio management and derivatives securities, and gives you the knowledge and analytical skills necessary for a career in insurance, financial and actuarial science.

Quantitative Finance Programme (QFIN)

Our QFIN programme offers comprehensive courses in finance, economics, mathematics, statistics and information technology, through which you will gain a solid command of financial investment instruments and an edge in securing careers in investment, corporate and commercial banking, consulting, accounting and financial services.

Interdisciplinary Major Programme in Global Economics and Finance (GLEF)

GLEF nurtures global leaders through interdisciplinary training in economics and finance in a global context. The programme caters to industry demands by preparing graduates with strong research and analytical skills, as well as on-the-job experience and the requisite global mindset to overcome challenges in the banking and finance industry.

Interdisciplinary Major Programme in Quantitative Finance and Risk Management Science (QFRM)

Jointly offered by CUHK Business School and the Faculty of Science, this state-of-the-art programme in finance, risk management science, statistics and business combines the strengths of two well-established programmes to provide a solid foundation for finance careers or further studies, at the Master's or PhD level, in economics, finance, actuarial science and insurance, mathematics, statistics, and risk management science.

CONNECT WITH THE WORLD

Exchange Programmes

Today's employers seek 'global graduates' who are ready to drive progress and influence in an increasingly international marketplace. With over 280 student exchange programmes offered by CUHK, and an additional 140 exchange quota offered exclusively to our business students, you can study at one of the world-leading business schools or universities in our network across the globe, gaining the cultural literacy and global experience crucial for your professional success. We also welcome around 1,000 incoming exchange students each year, creating a richly multi-cultural and immersive international learning environment right here on campus.

Overseas Study Tours

We hold international study tours on which you can visit universities and companies to learn about business and cultural practices overseas. Our students have already taken study tours to Russia, Austria, Chile, Israel, Poland, Czech Republic and Shanghai. Our innovative Global Experiential Learning course offering (see Curriculum, p.13) also provides many first-hand opportunities for you to expand your global perspective. You will enjoy more fruitful experiences like this when you choose CUHK business school.

Professional Skills

Your future success is dependent on your ability to connect with and influence others, including that important audience – your prospective employer. Learn to put your best foot forward with school-wide or programme-based career-related workshops like CV writing and interview skills.

Case Competitions

A highlight of business education, case competitions underpins your leadership development by letting you practice working in a team, creating solutions for real-life business problems, and presenting your ideas to a panel of judges. CUHK Business School holds an annual Academic Cup to give students a taste of case competitions, and students who perform exceptionally well may be invited to represent CUHK in local and international competitions.

Case Competitions Achievements 2020/21

- ACCA Hong Kong Business Competition, Champion, Creative Excellence, First Runner Up, Best Proposal

Real Business Exposure

Thanks to our close industry collaborations, you will frequently interact with the business world — from taking courses and seminars taught by leading industry experts to joining local and overseas company visits to gain ground-level visibility into business operations.

When it comes to preparing for your future career, there is no faster way than to dive right in and learn on the job through an internship. CUHK Business School students complete internships in Hong Kong or overseas, acquiring not only highly sought-after work experience, but, very often, permanent job opportunities after graduation.

200+ COURSES OFFERED
INCLUDING PRACTICUMS AND EXPERIENTIAL COURSES

Building a Base

Your CUHK Business School curriculum will begin with an overview of business fundamentals including Economics, Management and Accounting. These Faculty Package classes will be taken during your first year and serve as the foundation for the rest of your education.

Complementing your business foundation are University Core Courses intended to build out your well-rounded development. They include Chinese, English, Information Technology, Physical Education, and General Education courses.

Time for Specialisation

Your Major Required and Elective Courses provide you with in-depth knowledge to take your education to the next level. You'll be able to select electives that allow you to explore different areas of interest.

You will have opportunities to pursue personal aspirations with Free Elective Courses. Your remaining credits will come from this category and you may choose electives inside or outside of your business major.

Expanding Your Potential

You also have the opportunity to select minor(s), a double major or a double degree. Obtaining a double degree usually requires an additional year of study on a self-financed basis. Please refer to the individual programme materials for more information.

GLOBAL EXPERIENTIAL LEARNING (GEL)

A COMBINATION OF ONLINE AND REAL-LIFE OVERSEAS LEARNING EXPERIENCE, our unique, innovative GEL course is specially designed to broaden your worldview and the place for cultural curiosity to flourish.
